North Lamar Comments:

WBL Review

- Visited PJC. Tour went well. We need to confirm that appropriate people are in attendance on the IHE side prior to scheduling next tour.

Benchmark Dashboard

- Started to produce quarterly status document. Sent for review prior to the meeting.
- Stacer Group is constantly auditing the benchmark completion status and communicating needs.

IHE Correlation

- No class directly corresponds to PJC intro to Gerontology. Schools are using Health Science Theory and Practicum in Health Science.

Coach Comments:

Benchmark Checklist

- Completed benchmark review checklist

Reviewed Success

- Huge turn out for outreach event (80+ students).
- 100% pass rate for Principles of Health Science.
- Summer Bridge participation was very good.

Challenges

- PJC cooperation in tours. Need to assure the appropriate people are in attendance.

Support Needs

- The community could benefit from understanding how OBM metrics directly affect school funding. If OBM metrics/reports could be more readily available, then this message could be conveyed more immediately.
