**North Lamar:**

WBL Review

- North Lamar is performing well.
- Program is structured to include lower grade levels and increases rigor as cohorts progress.
- Status and contact hours are current and available via [nlisdptech.com](http://nlisdptech.com).

Benchmark Status

- Stacer Group is constantly auditing the benchmark completion status and communicating needs to the NLISD team.
- NL is in good standing with the P-TECH blueprint.

Successes:

- Hired another health sciences instructor.
- Recruitment exceeded capacity. Nursing Science P-TECH is full.
- Industry partners are very involved in the program. PRH is a great partner and easily utilized.

Challenges

- Funding for Educate Texas events. Budgets are tight, making travel to events difficult.

Support Needs

- OBM review to take place at the next coach meeting.
- Stacer Group and NLISD will review OBMs and provide analysis.
- Next coach meeting to be scheduled prior to July 31<sup>st</sup>, 2025.
